

## **Arboricultural Estimator**

Location: Leatherhead

Pay: £120.00-£200.00 per day

### **Job Description:**

Tree Estimator / Surveyor

GraftinGardeners Ltd has been providing professional tree surgery services across London and Surrey since 2009. Due to continued growth, we are looking for an organised and approachable Tree Estimator / Surveyor to join our busy team.

This is a varied role combining site visits to customers' properties with office-based estimating and customer support. You'll assess trees, prepare clear and competitive quotations, and help clients choose the right solutions for their needs.

### **Day-to-day responsibilities**

- Regular travel across London and Surrey for client appointments to carry out visual tree inspections
- Preparing written quotations for tree works based on site visits and photographs provided by clients
- Advising customers on suitable works
- Answering queries by phone and email, and providing follow-up support
- Assisting with tender submissions and supporting the wider office team

### **What we're looking for**

- A background in tree surgery (estimating or supervisory experience welcomed)
- Arboricultural qualification or LANTRA Professional Tree Inspection certificate
- Good practical knowledge of tree species, health, pests, and diseases
- Strong communication skills with a customer-focused approach
- Confidence in preparing quotes and handling client queries
- Full UK driving licence essential

### **What we offer**

- Competitive pay based on experience
- Option for PAYE or self-employed engagement
- Company pension scheme (PAYE)
- Full-time hours (Monday to Friday, 8am–5pm, occasional overtime available) with flexibility and part-time considered
- Hybrid role: split between office (Leatherhead KT22) and customer site visits

**Job Type:** Full-time

**Experience:**

- tree estimating: 2 years (required)
- tree inspections and species identification: 2 years (required)

**Licence/Certification:**

- UK Driving Licence (required)
- LANTRA Professional Tree Inspection certificate (preferred)

If you have professional tree surgery experience and enjoy working directly with clients, we'd love to hear from you.
